Serene Ultrasonic Aroma Diffuser
ION138

The Ionmax Serene ION138 ultrasonic aroma diffuser reintroduces moisture into the air to help you maintain a comfortable humidity level in your home. It can help to efficiently relieve respiratory ailments such as colds, flus, or hay fever caused by dry air.

Enjoy the **ultimate aromatherapy experience** from this sleek little device using your favourite essential oils without any heating elements, which makes this aroma diffuser safe to use. Together with its LED time display, alarm clock, and timer functions, the Ionmax Serene is easy and convenient to use around your home.
