WORK ERGONOMICALLY, CLEAN EFFICIENTLY. WITH THE IDEAL SWEEPING HEIGHT.

XP 2 eco

- ❶ The new generation XP 2 eco is equipped with a new micro exhaust filter PP and micro hygiene filter. The three-step filtration system has been improved considerably to provide more prevention for user and environment.
- ❷ The single-motor fully automatic comfort-class vacuum cleaner cares for textile flooring as gently as it is thorough with its operating width of 378 mm.
- ❸ The brush adjusts automatically and exactly to any floor covering from high pile to needle punch carpet.
- ❹ The light model is easy to steer ensuring fatigue-free operation even over longer periods.
- ❺ With its very flat construction, XP 2 eco has no problem reaching under beds and dressers.
- ❻ Extendible tube and telescopic hose for cleaning hard to reach places are standard.
